

At Kreationz we believe that when a student looks like a dancer, they feel like a dancer! The aim is for the teacher to see the student move their body in a desired way. The teacher cannot guide the student to progress if their body is not dressed appropriately. For this reason, and for the safety and comfort of the student, please see below for dance attire guidelines.

*Kreationz has a great range of uniforms and merchandise that can be purchased via the button below.*
