

At Kreationz we believe that when a student looks like a dancer, they feel like a dancer! The aim is for the teacher to see the student move their body in a desired way. The teacher cannot guide the student to progress if their body is not dressed appropriately. For this reason, and for the safety and comfort of the student, please see below for dance attire guidelines.

***Kreationz has a great range of uniforms, dance wear, shoes, and merchandise that can be purchased online or in the studio. With a Kreationz uniform, your child will fit right in from the moment they walk into the studio!***

**PLEASE NOTE: All NEW students will receive a Kreationz uniform related to the genre enrolled in, as part of the membership fee.**
